

SAFEMEASURES® ANNOUNCEMENT

SAFEMEASURES TRICKS AND TIPS TUESDAYS WEBINAR SERIES

Starting February 15, the SafeMeasures® team will be offering a webinar series that focuses on the hidden gems, tricks, hacks, and tips that turn a novice SafeMeasures user into the wizard they want to be! Have you ever sat through a training with an expert SafeMeasures user and wonder “how’d they do that?” Or have you ever gotten the “there’s gotta be a quicker, easier way to do that” feeling? If so, join any of our scheduled SafeMeasures Tricks and Tips Webinars. Every other Tuesday between February 15 and November 22, Stephanie Hillery will be hosting a live webinar covering topic of the day. The webinars are open to everyone on a first-come, first-served basis. All you have to do is click the link in this flyer on the day you want to attend. All webinars start at 9:30 a.m. PST/11:30 a.m. CST/12:30 p.m. EST and will last no more than 30 minutes. These webinars are designed to advance current SafeMeasures users’ knowledge and navigation of SafeMeasures and is not intended to be the first or final step in your SafeMeasures skill development. The goal is to increase the general user’s knowledge as well as drive excitement and willingness to learn more.

To join any webinar, click the link below:
